Five Reasons to Make Life Insurance Part of Your Financial Plan

Should something unexpected happen to you, consider that life insurance:

1. Replaces your income so your family can maintain the lifestyle you want for them
2. Covers your mortgage balance
3. Pays off other debt like car loans and credit card balances
4. Funds future college expenses
5. Gives you peace of mind from doing the right thing for your loved ones

Your LPL financial professional can help you make sure your financial needs are being addressed. Please don't hesitate to contact them should you have any questions about this or other needs.
